

**CalAIM Providing Access and Transforming Health
Technical Assistance Marketplace
TA Marketplace Applicant Eligibility Attestation Form**

Updated: 10/16/23

CONTRACTED:

**Organizations Contracted with a Managed Care Plan (MCP) or
Other Eligible Entity to Provide Enhanced Care Management (ECM) and/or
Community Supports Services.**

The Providing Access and Transforming Health (PATH) Technical Assistance (TA) Marketplace makes it possible for providers, community-based organizations, local governmental entities, such as city and county agencies, Medi-Cal Tribal Designees and Indian Health Programs and others to access TA resources to help strengthen their capacity to provide high quality Enhanced Care Management (ECM) and Community Supports services for Medi-Cal members.

To be eligible to receive TA through the CalAIM PATH TA Marketplace, an applicant organization must meet one of the eligibility options identified below:

- **Contracted** with a Managed Care Plan (MCP) or other entity to provide ECM/Community Support services
- **Planning to Contract** with an MCP or other entity to provide ECM/Community Support services or actively exploring that possibility with an MCP or other entity
- **Approved by DHCS** to receive TA

A signed Attestation Form must be uploaded to your organization's TA Recipient Eligibility Application to complete the application.

Organizations that meet "Contracted" eligibility criteria must also provide the signature page from their contract with an MCP (or other eligible entity) to document their eligibility to receive TA through the Marketplace. The signature page(s) must include signatures from both the MCP (or other eligible entity) and the applicant organization.

Signature pages should be emailed as attachments to ta-marketplace@ca-path.com.

To facilitate a more streamlined response, the email subject line should be formatted as follows: Subject: Signature Page | Applicant Organization Name

If your organization meets the "Contracted" eligibility criteria, please attest to your eligibility by signing below.

CONTRACTED. By signing this form, the applicant organization attests that it is eligible to receive TA through the CalAIM PATH TA Marketplace through the following option:

The MCP (or other eligible entity) has confirmed that the applicant organization meets the eligibility criteria because the applicant organization is contracted with a Managed Care Partner (MCP) (or other eligible entity) to provide ECM/Community Supports. Please attach documentation demonstrating you are contracted with an MCP (or other eligible entity).
